RESPONSE TO RESTRICTION REQUIREMENT

To the Commissioner:

In the Restriction Requirement mailed September 29, 2005, Applicants were directed to elect between the claims of Embodiment I (claims 1-18), Embodiment II (claims 19-23), Embodiment III (claims 24-33), Embodiment IV (claims 34-39), Embodiment V (claims 40-45), and Embodiment VI (claims 46-59). Applicants elect to pursue the claims of Embodiment I, with traverse.

App. No. 10/728,437

1

Applicants traverse on the grounds that claim 1 is generic to claims 19, 24, 34, and 46; thus Applicants respectfully maintain that claims 1-39 and 46-59 should be examined together. In the event that the Examiner chooses to examine only the claims of elected Embodiment I (claims 1-18), Applicants intend to request rejoinder of claims of equal or narrower scope to any allowed claim, and thus requests that claims 19-39 and 46-59 be withdrawn and not cancelled from the application. Applicants, of course, reserve the right to file a divisional application covering the subject matter of the non-elected claims.

If there are any questions concerning this Response, the Examiner is invited to contact the undersigned agent at (408) 869-2921.

Dated: October 28, 2005

Respectfully submitted,
